Little About us

TOPCertifier, (a division of Veave Technologies) is a consulting firm providing Business Advisory, Training, Process Consultation and Certification services. We operate in over 40 countries and have more than 150 consultants and auditors servicing our clients around the world.

We have successfully executed over 5000 projects. Our consultants and auditors come from many different backgrounds and are united by a set of shared values. They deliver certification, with simple documentation and minimal efforts from our customers.

We focus on practices which could increase your bottom-line than just sticking to standard guidelines. All our customers have reported increase in sales, brand recognition, employee retention and as a result increased profits due to our certification services.

We handle end-to-end turnkey projects. From advising what certifications would give you maximum return on investments, which certification body to choose, gap analysis, documentation, training, internal audits and organize external audits. We are your one-stop solution provider.

TOPCertifier in UAE

Our emphasis is on adapting to changing environments, enabling us to meet our clients' expectations. By focusing heavily on developing and empowering our people, we are confident we will continue to be relevant to the issues at hand and provide practical insight to help businesses and organizations navigate through changing environments.

Subhash Mashalkar
Director, Oman & UAE.

TOPCertifier in UAE is established as Veave Technologies FZC (March - 2017). The firm has operated in the region since 2008. This early commitment to the UAE market, together with our unwavering focus on quality, has been the foundation of our accumulated industry experience, and is reflected in our appointment by some of the region's most prestigious companies. TOPCertifier has over across Dubai, Sharjah, Abu Dhabi, and Fujairah. As UAE businesses join the global economy and international companies seek to enter UAE market, TOPCertifier's blend of international expertise and local knowledge makes us well positioned to serve our clients in this increasingly complex, but exciting market.
